How to be UNFORGETTABLE

- Do people in your audience remember your presentation 3 days after you speak?
- How about 3 months? 3 Years?
- Anyone can stand up and give a presentation, but how do you stand out from the crowd?
- More importantly how can you give an UNFORGETTABLE presentation that leaves you message indelibly on the hearts and minds of your audience?
- In 2001 Darren LaCroix out-spoke 25,000 contestants from 14 countries to become the World Champion of Public Speaking with a very funny speech. Not only that, but people are talking about his "fall" over a decade after he gave his UNFORGETTABLE speech.
- Darren will give us a peek behind the curtain to you can see the UNFORGETTABLE process.
- Follow this process so you too can be UNFORGETTABLE!

Speaking Outside of Toastmasters for Fun, Profit and Club Building

- Ever dream of being a professional speaker?
- Ever wonder about how to get new club members?
- What if the "how to" answer to both questions was exactly the same?
